1. The next meeting would be in the 2 week window starting 2<sup>nd</sup> Sept.
  2. Moguls Selection – We have accepted 19 applications for the Moguls Squad.
  3. PnP Selection – This is due to start in September, it is noted that the criteria has not changed since last year.
  4. Ski/Board Cross Selection - At the moment there are a few active SX clubs doing significant activities and training. At the moment we don't have anything extra to add into the progression pathway other than what is being done anyhow at the moment. So to have a Cross squad at the moment, would simply be a paper exercise. However, we are continuing to investigate this.
  5. Training General – The Futures sessions are progressing well with the booking details available on the SSE web site.
  6. Training Moguls – The activity plan is being updated at the moment and will be placed on the FB site soon, as we are just awaiting a few date confirmations. These plans may include sessions at Castleford, Futures (as above), and joint sessions with Germany/Holland/CZ – There are no plans for moguls on-snow comps at the moment.
  7. UK Comps 2020 – We are investigating all the options at the moment. It looks likely prices from slopes will rise, but we need to ensure the event is still cost effective for those taking part.
  8. Inverts advise – We are working through this with coaching and insurance at the moment..
