

INTRODUCTION

The Park & Pipe Pathway is designed to support selected athletes to train, and where appropriate compete, in national and international environments for their Home Nation and GB. Athletes must commit to developing their fitness, all- mountain riding, slopestyle, half pipe, big air and acrobatics and be motivated to succeed. It is vital that there is support from parents and coaches but it's also essential that athletes have a strong work ethic to realise their potential in the programme. Athletes are expected to train and compete in appropriate slopestyle, big air and half pipe events and it is expected that athletes engage with local gymnastics, free-running, skateboard/skating/scooter and/or acrobatics club to support their development.

Athletes selected to the England Park and Pipe Academy (Home Nations Academy) will be expected to work with their respective Snowsport England and local coaches.

Selection to the Home Nation Academy is not a guarantee that athletes will be invited on camps taking place abroad. Invitations to camps will be awarded on skill level and stage of progression.

The Traffic Lights shown above indicate a linear development of an athlete and would not support the multidirectional capacity required for an athlete to be selected to the Park & Pipe Pathway.

COMMITMENT EXPECTATIONS

Athletes are expected to agree to a programme of training with a recognised provider (including but not limited to Home Nation Governing Body (HNGB)/GB Snowsport programmes) once selected. Athletes are expected to commit to this programme of activity which will include (domestic) on-snow training, Athletic Capacity Training, gymnastics and acrobatics. Snowsport England reserve the right to contact external training providers to track progress.

CODE OF CONDUCT

All athletes will be required to sign and abide by a Code of Conduct, Concussion Protocol and Camp Booking Conditions. Agreement to all of these will be required to submit the online application form.

FORMATION AND MEMBERS OF SELECTION COMMITTEE

The Chairman of the Selection Committee may invite others with specialist knowledge to contribute for part of a meeting depending on the availability of the individual members and the specific areas for which it is selecting. Committee members should be free from external conflicts of interest in the selection process.

- SE Freeski Coach
- SE Snowboard Coach

NON-SELECTION

Athletes who have not been selected following an application will be notified by email by their respective Home Nation Governing Body. Reasons for non-selection will be given and guidance on what areas need improvement will be given.

All appeals must be made in writing, with accompanying evidence and additional information addressed Private and Confidential to the CEO and relevant performance staff at each athletes respective Home Nation Governing Body.

Snowsport England
Sport Park, Loughborough University,
3 Oakwood Drive, Loughborough.
Leicestershire,
LE11 3QF

For the Park & Pipe Pathway selections, appeals must be made within 7 days of the individual email notification.

All appeals will be considered on an individual basis. Appeals will initially be reconsidered by the original selection committee, who will explain the reasons for their decision to the athlete. If the athlete is not happy with the process or the outcome of the selection committee's final decision, the athlete may then opt to refer the matter to an internal appeals committee. The Park & Pipe Pathway appeals Chairman will constitute an internal appeals' committee consisting of at least three people who did not sit on the original selection committee.

If the dispute remains unresolved, it will be submitted for an exclusive, final and binding determination to the Sports Dispute Resolution Panel (Sports Resolutions. Snowsport Scotland, Snowsport England, Snowsport Wales and GB Snowsport understands that both parties will undertake to execute any decision of Sports Resolutions).
