FIS races for U18, U21 and Senior competitors will be run under FIS ICR. BASS and unseeded races for U16, U14, U12 and U10 will be run under BCR (FIS ICR as amended by GB Snowsport). For the purposes of this competition, Masters are included in the Senior age group.

Competitors are reminded to check the latest Equipment Rules. All racers must wear a helmet suitable for Alpine ski racing.

International rules: gbski.com/ICR
British Rules: gbski.com/BCR
Guide to helmets: gbski.com/helmets

SEED POINTS

FIS races will use FIS lists 13 and 14.

GBR (U14 and U16) races will use BASS list 2020.4.

Important for U14 and U16: a change in the British rules for this season means that you must renew your Home Nation (HN) registration before the BASS list is published otherwise you will race with 999 points. For these Championships you **must** therefore renew registration **no later than Tuesday 11th February**.

From Thursday 13th February 2020, the race office and official notice board will be in the Auditorium, Via Funivia, Bormio, and will be open daily from 16.00 until 17.15. Please note that opening times may change, details of opening times will be posted outside the building.

RACE ENTRY DETAILS

To participate in these Championships, British competitors in age groups U14 and above must be registered with their Home Nation (Snowsport England, Scotland or Wales).

British competitors in U14 and U16 age groups **must** renew their HN registration **no later than Tuesday 11th February** for their seed points to appear on the BASS list and thus qualify to be used for this competition. Failure to renew your registration in time means you will race at the back of the field with 999 points.

All competitors must have a current insurance policy that permits them to ski race. The Organising Committee may require proof of insurance such as a valid governing body race licence or an independent certificate of insurance.

All U18, U21, Senior and Masters Racers are reminded that they **must** be FIS registered to take part in these championships (please note that a FIS Masters registration is not the same as a FIS Alpine registration).

Applications for the appropriate licence should be made direct to GB Snowsport as soon as possible and at least **three weeks prior to the closing date**. The Organising Committee accepts no responsibility for any failure of competitors to ensure that their FIS registration is valid.

Competitors in the U10/U12 races must have either signed the British Athlete's Declaration or be registered with their Home Nation.

The Organising Committee reserves the right to refuse entry to skiers who do not possess seed points and who cannot demonstrate a minimum level of competence. Suitable evidence may include previous race results or a Coach's certification.

All British entries must be made via the official online entry system at <https://entries.snowsportengland.org.uk/> (or if necessary using on the official entry form (one per competitor)), and will only be accepted if accompanied by the correct race entry fee of **£52.50 per competitor per race**. (£30 for the U10/12 Parallel).

For the U14/U16 competition, if you enter all 4 races there will be a discount of £20.

For the FIS competition, if you enter all six FIS races there will be a discount of £30.

For the Rossignol Team Parallel Slalom there will be an entry fee of €50 payable in cash in resort when you hand in your completed Team Entry Form.

Cheques must be made payable to "Snowsport England" and sent to the Championship Race Secretary.

International (non-British) FIS entries **must** be made through your National Ski Association on the appropriate NSA FIS entry forms in accordance with FIS regulations, and in particular in line with FIS Quotas for your nation.

Depending on the number of entries from British competitors, we may allow a small number of non-British entries into the Children's competition (U10, U12, U14 or U16). Please contact the race secretary for more information if you fall into this category and wish to enter. Note that we may not be able to give you a decision on accepting your entry straight away. If we do accept your application, you should use the standard entry form which is at the end of this bulletin.

The closing date for British entries is Monday 3rd February 2020.

Entries in U14 and U16 races are expected to be large and will therefore initially be limited to British registered racers. Decisions on the possible acceptance of non-British entries in these age groups may only be possible once the closing date has been reached.

Acceptance of entries in the resort will be dependent on the entries already received and the snow conditions. Competitors are therefore warned that their presence in the resort will not necessarily gain them entry into the races.

If late entries are accepted, they will incur a penalty of £20.00 per competitor per race.

Acceptance Lists showing entries received by the closing date will be published on www.gbski.com by Wednesday 3rd February (N.B. this Acceptance List will not be updated with late entries).

REFUNDS

Due to the enormous cost of organising these Championships, there will be **no refund of race entry fees** after the race entry has been received, even if one or more races are cancelled. Please see our T & C for full details.

Refunds on medical grounds will be considered only on production of an appropriate medical document. Such refunds will only be considered if submitted within one month of the last day of the competition.

TRAINING, WARM-UP AND PUBLIC PISTES

Coaches/clubs/teams must negotiate training pistes directly with the resort. Clubs/teams are reminded that they will need to work together to ensure maximum use of available facilities. The Organising Committee will designate appropriate pre-race warm-up areas for each day of competition.

A briefing will be made at the first Team Captains' meeting with regard to the warm-up rules and the consequences of violating them. As defined in ICR the OC is not responsible for managing or overseeing the use of training pistes or warm-up areas.

All participants are required at all times to ski in a manner appropriate to the conditions, and to treat other users of the slope with due respect. This is particularly important when skiing in areas open to the public. Failure to conform with these requirements or failure to obey the instructions of any member of the organising team or the resort staff may lead to removal of lift pass and/or suspension from the remainder of the competition.

Competitors are also reminded that the goodwill of the resort in providing us with such an excellent venue for racing relies on our recognising that we all have a part to play in sharing the mountain with other users. In areas where the needs of the racing community and the general public overlap – particularly at Bormio 2000 where the area can get very busy at some periods of the day – all competitors are required to refrain from leaving their equipment in a way that blocks public access. Failure to do this may result in the equipment being forcibly moved by members of the organising team or even confiscated by the local police.

FIRST TEAM CAPTAINS' MEETING

U10/U12 Giant Slalom: Saturday 15th February at 17:45 in the auditorium.
NJR FIS Slalom: Saturday 15th February at 18:30 in the auditorium.

NB: Only accredited team captains/managers have the right to attend the meetings, independent athletes should liaise with a team/club to ensure they are represented.

COACHES ACCREDITATION

All coaches requiring access to the competition areas must complete an application form and collect their accreditation from the Race Office. Forms will be available on the web site for you to complete prior to the event.

SAFE-GUARDING

We want you to feel supported in your snowsport activities. If you have any worries please talk to someone you can trust. This might be your parents, teachers, club welfare officer, coach or ChildLine. Snowsport England has a Safeguarding Lead you can contact and the e mail is: welfare@snowsportengland.org.uk - or see our website for details of more support agencies - <https://snowsportengland.org.uk/safeguarding-children-and-parents>

VOLUNTEERS

To run the Championships smoothly and successfully, we will require a number of volunteers; these could include gate judges, marshals, provisional times-board keeper, commentator, back up timers etc. Clubs should come prepared to nominate helpers. Snowsport England registered Race Officials are reminded that experience at the Championships will count towards their accreditation.

Anyone interested in Officiating, shadowing, or helping out in any capacity should contact the Chief Race Director via email at alpinechamps@snowsportengland.org.uk, Chief of Championships or Race Secretary prior to the Champs.

Coaches are reminded of their duty to act as Referee if appointed by the TD.

PHOTOGRAPHY

Official photographers may be present during the event. If you **DO NOT** wish for your photograph to be taken or used, please sign the forms available in the race office before the event.
