---

- A. Those present: Martin Carr, Ian Findlay, Ian Danby, Ania Wasielewska, Jeff BE
  - B. Standing Orders: Declaration of interests, Struck off directors, Safeguarding
- 
- 1. IF to investigate chips for timing systems.
  - 2. As we now have more moguls activity it is felt we need to get a few more moguls coaches trained up. The thought is to run such a course spring 2020.
  - 3. Moguls Kendal – It has been suggested that we run a comp, fun style, as there has not been one at that location for a while. MC to follow this up, but committee suggested that there would need to be a significant local participation for it to be viable.
  - 4. UK Comps 2020 – We are currently investigating what the costs will be to run events in 2020. Assuming this comes back with something that is viable we need to get more assistance at the comps as otherwise there will be too many jobs for too few people. MC to investigate this after we have guide prices.
  - 5. Selections – Moguls. There is one outstanding acceptance letter to be sent out. AW to circulate the current squad list.
  - 6. Selections PnP – IF to circulate the current squad members. Selection has now closed, but entries can be made at any time.
  - 7. Inverts statement – we are just finalising this with the technical panel.
  - 8. Uniforms – There has been no orders this year, as we have only just started getting newer members. However, deadline will be March/April, with delivery in Autumn 2020.
  - 9. Training Camp Laax 2020 – We are just finishing off the budgets etc, so this should progress soon.
  - 10. Training Camp Scotland 2020 – We have the dates of 29<sup>th</sup> Feb/1<sup>st</sup> Mar booked in.
  - 11. Training Moguls Kaprun Nov 19 – There has been a good uptake of 19 for this.
  - 12. Moguls Training 2020 – There maybe a Feb training camp, but will not know the dates until the close of the year.
  - 13. PnP Training – There is a camp happening in Austria at the moment. There maybe one also in Jan/Feb with a mountain airbag.
  - 14. Next meeting is scheduled for window of first 10 days of Dec.
