1. CHAIRS WELCOME

JH welcomed everyone to the meeting. JH confirm this would be his last meeting and that following the AGM LW would be taking over as chair. 6. LEAD OFFICER SAFEGUARDING REPORT

TF went through the costs of the recent safeguarding case which came to £12,348. This would have been £2000 more if the meetings hadn't been held virtually. In addition, the fixed fee for the barrister meant costs didn't go higher.

As part of the disciplinary policy review we will look at the process we have in place and whether or not we should have a barrister on a retainer or whether the pilot scheme currently been run by Sport England leads to a possible solution.

The revised snow safe policy was approved

7. TALENT

Ian Findley (Talent Lead) went through his presentation which set out our strategy and objectives in regards to the talent pathways. This had been worked in partnership with GBS. It summarises the objective, strategy and tactics for the talent plan as well as an assessment where we are in each discipline and potential funding required to make an impact.

A discussion on the details set out by IF with the following key points. Objectives need to be clarified so we can see what success looks like, timeline for delivery and need consideration about what is realistic to achieve.

8. RISK REGISTER

SL went through the risk register and had a discussion on the key risks

CV comment that we need clear actions from the risk register so we are following up on the mitigation which is outlined and not just reviewing every 6 months.

9. FINANCE

(i) Finance report

SL presented his report to the board. Covid 19 pandemic has continued to impact our activities and financial performance, as well as projected how this will impact Snowsport England in the coming years. Q3 has seen a limited amount of activity, however some of the planned for events had to be cancelled due to regional lockdowns, followed in Q4 by 'Tier' restrictions and then a National Lockdown.

Within Q3 some Coaching courses ran. These were understandably fewer than budgeted for the quarter but were well attended and positively received. Nordic ran

roller-ski sessions which generated income and showed demand for such events remains positive. Alpine also ran a course setters course that generated a small amount of income.

Overall, accounting for the limited activity and the grant funding provided by Sport England, we showed a small deficit for the quarter. We expect to end the year with around a £10k deficit, roughly in line with our original 2020 budget (although generated in a totally different manner than planned).

Reviewing the year to date, Snowsport England have managed the impact of the pandemic well. We have managed our cost base effectively, negotiated with Sport England to repurpose grant funding where needed. Thanks go to Tim and the entire team for their work.

(ii) 2021 Budget

SL went through the 2021 budget in detail. This will mean a deficit for 2021 but with an aim of a surplus again by 2024. The board approved the budget for 2021. It was clear though we need to make sure we are promoting our core business of courses and events which generate income to reduce the budget deficit as much as possible.

(iii) Forecast

SL went through the forecast for 2022,23,24 and the model that has been put together with different parameters. This will need to be reviewed regularly as we progress through 2021 and we get a better idea of how membership, course, and events are doing.

(iv) Financial Principles statement

The updated financial principles statement was approved by the board

10. OPERATIONS TEAM REPORT

TF went through the priorities for 2021 and how this aligns to the budget. To make sure we can deliver on this there will potentially be further changes to roles and staffing. All would be within the agreed budget.

The following people were approved as chairs of their respective committees

Freestyle & Snowboard – Martin Carr

Coaching Technical Panel – Richard Barbour

11. AOB

The board confirmed Louise Wright would be the representative from Snowsport England on the GB Snowsport board.

The board workplan will be rolled over to the next meeting and dates for board meeting for 2021 will be circulated.
