- B. Standing Orders: Declaration of interests, struck off directors, safeguarding
1. UK Comps – The current plan is to have K-Jam at Kendal May 2021, Framers Jam 2-3 Weekend of September in Norwich & the SSE Cross/Slope at MX during summer 2021.
 2. Europe Comps – The Brits should be in Laax the week before Easter. However, this does depend on how the COVID situation progresses. Assuming this was to happen then we would also run the usual training camp the week before, on a coaching only basis (ie no we don't arrange accommodation/transport for those on the camp).
 3. Scotland – It may be possible to arrange some training in Scotland, but this will depend on the conditions. In previous years towards the end of the season has proved better.
 4. Futures Camps – We will start and investigate this in January for this to start in Spring. These are events run by SSE coaches at various locations around the UK.
 5. Selections – Due to COVID the existing team was automatically re-selected for 20-21. Going forward there will probably need to be a few changes to the policy.
 6. Snow Tour – The idea of combining results from various events and create a ranking was discussed. While this has been done before it failed in part due to the amount of Excel work that was required to be done. Thinking ahead most of this could be done by an automated web-based system. We would still need to decide what points are allocated to what places and how we then interact this with age categories.
