

UPDATED SNOWSPORT GUIDANCE 04/12/2020

Following the announcement that England will return to a system of tiered restrictions effective from 00:01 on Wednesday 2nd December, Snowsport England has been in discussions with Sport England and Government to establish what the new restrictions mean for our sport.

We have therefore updated the below guidelines. These guidelines apply to England only, and have been produced to help facilities, clubs, instructors & coaches, athletes, and participants operate in line with the Government guidance. The full guidelines can be downloaded below – please ensure you read the relevant guidelines in full:
