

## **SUMMARY TABLE: COVID-19 RESTRICTIONS IN ENGLAND PERMITTED SNOWSPORT ACTIVITY FROM 29<sup>TH</sup> MARCH**

This table provides a summary of what types of snowsport activity will be permitted under the Government restrictions across England from March 29<sup>th</sup>. Where activity is listed as permitted, this may still be subject to additional restrictions and protocols - venues, coaches, participants, and officials should therefore refer to the Snowsport England’s full COVID-19 secure guidance once updated documents are published.

Further detail will be added to this table once it is confirmed. Please refer to the main Snowsport England coronavirus information page for all the latest coronavirus updates at [COVID-19 Resources - Snowsport England](#)

## ***NEXT STEPS: COVID-19 RESTRICTIONS IN ENGLAND***

### ***GOVERNMENT ROADMAP OVERVIEW***

The [Government's roadmap](#) is based on four steps. To assist snowsport facilities, clubs, coaches, and officials in preparations, we have summarised below the key relevant aspects of the easing of restrictions for each step, outlining what is known to date.

Before taking each step, the Government will review the latest data on the impact of the previous step against four tests around vaccination deployment and impact, infection rates and NHS hospitalisations, and status of any new variants of the disease.

They will then announce one week in advance whether restrictions will be eased as planned. If the start of one step is delayed it will impact the next step.

The summary grid above and the roadmap overview below will be updated as we progress through the four steps of the roadmap, and as and when we receive confirmation of further detail from Government and Sport England.

#### **STEP 1: 8<sup>th</sup> March and 29<sup>th</sup> March 2021**

- Sport in schools and sport as part of wraparound care (i.e., after-school clubs) can resume from 8<sup>th</sup> March 2021
- Outdoor slopes to open from 29<sup>th</sup> March (detail as per the above summary grid)

#### **STEP 2: No earlier than 12<sup>th</sup> April 2021**

- Indoor snowsport facilities open for individual/household use only
- Indoor children's sport resumes for larger groups, including group coaching etc.
- Hospitality venues including pubs reopen outdoors only, subject to social contact restrictions (rule of 6)
- Guidance to minimise domestic travel where possible remains in place

#### **STEP 3: No earlier than 17<sup>th</sup> May 2021**

- Social contact restrictions relaxed to maximum 30 people outdoors (formally organised sport already exempt from this outdoors from 29<sup>th</sup> March 2021)
- Rule of 6 or two households indoors
- Organised indoor 'adult group sports and exercise classes' resume
- Large events permitted within the following capacity limits subject to strict Government guidance
- Hospitality resumes indoors
- Domestic overnight stays in hotels, hostels and B&Bs permitted line with social contact restriction
- Possible restart of international travel (subject to review)

#### **STEP 4: No earlier than 21 June**

- Removal of limits on social contact
- Enable large events above Step 3 capacity restrictions, subject to the outcome of the scientific Events Research programme, and potentially using testing to reduce the risk of infection, subject to further evaluation.
