

Snowsport England Participation and Insight Group Positions

Secondary Schools Lead

Participation and Insight Group Secondary Schools Lead Vacancy

Are you:

- Interested in the Snowsport disciplines
- A teaching professional, KS3/ KS4/ KS5
- Innovative and a problem solver
- Highly organised
- An effective communicator
- Willing and able to invest time to support Snowsport in England

We are looking for people who are passionate about Snowsport, and can commit their time, energy, and enthusiasm to developing and supporting the sport we all love. We want to attract people from all backgrounds who reflect the values of Snowsport England.

The Participation and Insight Group is a new committee and the Secondary Schools Lead is a crucial role which will bring to the group professional expertise and understanding of the secondary school sector.

The Participation and Insight Group's primary aim is to gather insight from the Snowsport community to help grow participation and Snowsport England membership. This will be done through working with the education sector (schools, colleges, universities), youth groups, Snowsport England clubs, facilities, regions, and the existing membership base. Specifically, to:

- Gather insight and data from the Snowsport community to provide evidence for driving change
- Increase awareness of Snowsport
- Grow the sport and expand the diversity and inclusivity of those participating
- Increase satisfaction levels within our clubs, members and volunteers
- Drive increased participation towards wider Snowsport England opportunities such as coaching, talent pathways and membership
- Work with Snowsport England on current organisational priorities
- Gather insight and data from the Snowsport community and provide evidence for driving change

If you are interested in applying for this role please download the role description below, if you would like additional information on the role and the committee please get in touch via email info@snowsportengland.org.uk
