Moguls course to UKCP – All of SSE course ladder are being updated to move away from the idea that the only way is to progress from Level 1 to Level 4. There are many excellent coaches out there for which only L1 is relevant (due to snowsport coaching not being their main job). The idea is to have a horizontal CDP		ACTION MC

UK Events – Based on the current COVID roadmap then all facilities should be able to operate as normal from July 19th. Of course this will then depend on availability of slopes for events like the K-Jam etc. Into this mix is also the issue of running events (on outdoor slopes) AB is investigating options at CF, IF at MK		ACTION IF/AB
Greystone – Numbers not high at the moment. The next session is planned for 20th July. One of the issues is the start time of 6pm, makes transport difficult for many. After this sessions will start again after summer. <a href="https://www.snowsportengland.org.uk/backing-the-best-project-sessions/">https://www.snowsportengland.org.uk/backing-the-best-project-sessions/</a>		ACTION RT
