

Creating environments for success

How to build a positive learning environment for people to thrive

drivetrain

An ambition of two parts

How do we build a
positive learning
environment?

What does **thriving**
and **success**
mean?

**What
does
success
mean?**

Sound like...?

Look like...?

Feel like...?

There are **many versions**
of **success**.

Who
defines
success
in your
environment?

Whose ideas
and **input** do
you need to
include?

Find your environment

(groups of 4)

My name is...

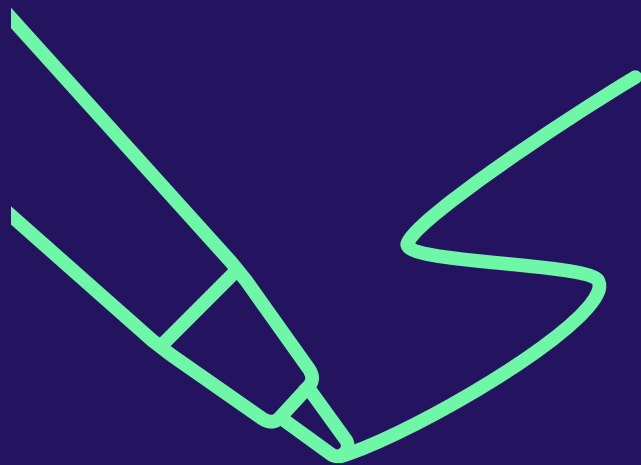

My environment is...

Success looks like...

Things that could be better...

Things that get in the way...

Share your ideas!

Questions
to ask
yourself...

What can I **learn**
from other
environments?

How will I know if I
am **successful**?
