Slope Run Events 2023 - So far we have the dates for Kendal. We have a draft date for the Farmers Jam. Oak cake jam will probably be in Oct. There is talk of one at Halifax and maybe one in Warmwell. Once we know more we can help coordinate judges etc
English Champs - We have had started a discussion with MK, with a view to a comp in June. Maybe pre-register option, once date etc confirmed? Contact wth SSE Social for a poster design
Futures chams Norwich 2023 - We have a pencil date of 30 Sep & 1st Oct - Further discussion needed when Paul is available.
Futures Project - There are many sessions now available to book on. This is for moguls, park and off slope. Some events are not too well attended, but others very busy.. There maybe a possibility of including Castleford in these sessions. It is further anticipated that we will include sessions at the Coaches Conference aimed at younger coaches.
Selections - Next Window should be May 2023 - As well as the usual e-mails we should also include the slopes, afterall they may know people who we are not already in contact with. At the end March we should start the comms process.
Air Bag and Invert Training - There was a discussion on how to prove the ability to do these tricks before being allowed to do them on facilities. One option suggested is that it is just a supervised session with no coaching. Alternatively evidence (perhaps video clips) of said moves being done on trampoline, skate board etc
