

Freestyle Key Committee

Those present at the Freestyle Committee Meeting 16th Oct 2023: Martin Carr, Paul Telling, Andrew Norris, Rob Taylor
Standing Orders: Declaration of interests, Struck off directors, Safeguarding
Question was raised is who can sign off L1 coaches as there are not enough L2 to do this - we will try and find this out
MC to send out next e-Newsletter - This is beings sent every few weeks when new events have been added to the diary
Judges training - Perhaps another judges courses, with input from L1 coaches who need it as part of their qualification
Slope Run Events 2024 - K-Jam etc, Halifax - We are chasing up the dates for what these will be for next year, so we can put them in the diary, promote and help with admin side as relevant
SSE Comps, Futures & Slope - There is a feview of futures next month, so that feedback will input into the possible futures comp. However, we are currently looking into venue for Slopetyle, much like the one that was held at MK this year
We continue to monitor the travel insurance option on the SSE web site, in particular with reference to moguls, as that is not directly covered
Moguls CF, Manchester - The moguls sessions are financially viable, but we need to sort out the dates for 2024. Reference other comment about futures. As is SX at Norfolk
Futures Project - The futures is going to be discussed by SSE in November to work out what to do going forward. It should be noted that the Park & Pipe events do not cover their costs, but the other parts of the scheme does. Once this has been discussed then bookings, as required can happen
Selections to the Freestyle Teams will be done in Oct each year. So the next official one will be done Oct 2024. However, unofficial movements can still happen between now and then, just that they would be crystalised at that point.
Snowtour Ranking - The system has now been updated with all of the results from 2023. It was tested last year and used, to great effect this year.
