

Freestyle Key Committee

Those present at the Freestyle Committee Meeting 18th March 2024: Martin Carr, Andrew Norris, Tom Farenden, Rob Taylor, Piers Lincoln
Standing Orders: Declaration of interests, Struck off directors, Safeguarding
Date for Next Meeting - We will have the next meeting (but just in regard to June comp) on Apr 8th at 15:30
Futures Project Park & Pipe - More slope and dates are being added. However, the challenge at the moment is to have coaches that are local (ish) so that the cost of the sessions remain viable. There is a possibility of accessing diversity funding to help, but obviously this becomes a project
Freeski Camps - There is an Easter camp in Laax
Selections: The next official round will finish in Oct 2024. However, we have to date received 6 applications of which some have been invited to train with the team. Unofficial additions can happen at anytime. would be crystallised at that point.
Futures - Moguls - There is a chance that Hemel will be added to the sessions, just awaiting price information
Snowtour Ranking - System worked well and will be used for 2024 as well
Rosendale are wanting to start a Freestyle scene. Initial contact with RT will be made ball is now in their court
Slope Run Events 2024: There are a few now on the system. Although, unfortunately there is a date clash with the Tamworth event and K-Jam
SSE Comps - The next meeting will be dedicated to this event. Discussions are still ongoing about a Futures Comp at Norwich
We continue to monitor the travel insurance option on the SSE web site, in particular with reference to moguls, as that is not directly covered
Judges training - We are working on an online module to fit in with the L1 & L2 courses, further updates due at the end of March 24
MC to send out next e-Newsletter - This is being sent every few weeks when new events have been added to the diary - just awaiting further events being setup on Sport 80
Update age categories on Ranking system CGI system from XLS master
